

EPHS Weekly Information Letter – Friday 15^h May 2026

Dear Parent/Carer,

We have had a successful start to the GCSE's with excellent attendance at the booster sessions from our year 11's. Students remain positive and confident as we end this first full week of exams and head in to the next. Students have shown fantastic dedication over the past week and we continue to support them with lots of resources and practice papers in their timetabled lessons.

As a reminder, we are running a competition for places on a trip to Blackpool Pleasure Beach, students can be entered into the draw for a place by achieving full attendance for a week. Again, a student can attend for the full week but still lose their attendance ticket for that week if they arrive late. Today there were a total of 45 late arriving students who lost their morning mark and so losing out on this weeks attendance ticket. To be in with the best chance, please encourage your students to arrive on time.

With one more week left before the last half term break of the year, we hope you have a restful weekend and look forward to another productive week ahead.

Many thanks,
EPHS

Exams Information

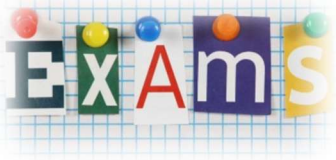

We encourage all students to attend the available booster sessions both before and after school to maximise their potential in their exams. Please note that school is open from 08:00 each day for students to revise other subjects also if they are not studying the subject of the booster session.

If your child either chooses not to attend or is unable to attend the available morning booster sessions, your child **must** arrive to school at the normal time (08:35). Late attendance can affect your child's ability to sit their scheduled exam and could subsequently affect their final grade.

Blackpool Trip Competition

For each week between **11th May and 3rd July**, if your child achieves 100% attendance, they will receive an Attendance Ticket. If your child achieves 100% attendance for the whole of this period they will receive a maximum of 7 Attendance Tickets.

On **3rd July**, all Attendance Tickets will go into a draw for a place on a trip to Blackpool Pleasure beach towards the end of the school year. A total of 30 places will be drawn and each student will be able to choose a friend to join them (however their attendance must be a minimum of 90% at the time of the draw). This means a total of 60 students will be able to attend this trip.

The trip dates are:

Year 9 and year 10 – Thursday 9th July

Year 7 and year 8 – Thursday 16th July

It's important to remember that punctuality can affect your child's attendance, arriving late can lose 50% of their mark for that day so make sure your child arrives on time to help them secure tickets in the draw!

Good luck!
