

EPHS Weekly Information Letter – Friday 19th June 2026

Dear Parent/Carer,

This week we have said goodbye to our year 11 students with a fantastic and heartwarming celebration assembly. We saw how students have grown over the years, and how they have enjoyed their time with us. We also shared some messages from teachers and staff, expressing how incredibly proud we are of these students and wishing them the best of luck for their future.

As we say goodbye to the year 11's, we welcome what will be our new year 7 students next week for their transition days. We are looking forward to meeting them and welcoming them to our school and we hope that all of our students will join us in supporting them in what can be quite a daunting couple of days.

Next week we will also be holding the final parents evening of the year, this is for the year 7 cohort. Appointments are currently open to book, please log on to the Arbor app to book these in if you haven't already done so. If you are unable to find a free slot with a specific teacher that you'd like to hear from, please send an email in with your request and we can arrange for them to contact you.

As always we hope you all have a wonderful weekend and look forward to the week ahead.

Many thanks,
EPHS

Uniform

As a reminder, the process has changed for how we manage students who do not arrive meeting the school uniform standards. Students who do not meet our uniform expectations may be provided with spare uniform, where available. If spare uniform is unavailable, the student will either be placed in Reflection until the issue is resolved, or parents/carers will be contacted and asked to bring in the correct uniform or collect their child from school.

Appointments

Please ensure that when sending any appointments for your child in to school that you copy in ephsgeneral@consilium-at.com. Whilst it is useful and often important to send this to heads of year, they are not always able to forward this to the reception team before they are requesting to leave. This can often cause un-necessary delays as we cannot release a student without this confirmation for safeguarding reasons.

Library Books

The school library will be undergoing some changes in the next few weeks. Please return all outstanding school library books so that we can conduct an accurate stocktake and to ensure that we are able to offer the widest possible range of titles in September.

Blackpool Trip Competition

For each week between **11th May and 3rd July**, if your child achieves 100% attendance, they will receive an Attendance Ticket. If your child achieves 100% attendance for the whole of this period they will receive a maximum of 7 Attendance Tickets.

On **3rd July**, all Attendance Tickets will go into a draw for a place on a trip to Blackpool Pleasure beach towards the end of the school year. A total of 30 places will be drawn and each student will be able to choose a friend to join them (however their attendance must be a minimum of 90% at the time of the draw). This means a total of 60 students will be able to attend this trip.

The trip dates are:

Year 9 and year 10 – Thursday 9th July

Year 7 and year 8 – Thursday 16th July

It's important to remember that punctuality can affect your child's attendance, arriving late can lose 50% of their mark for that day so make sure your child arrives on time to help them secure tickets in the draw!

Good luck!

WORK EXPERIENCE

We are currently seeking work experience placements for our **Year 10 students**, which will take place from **Monday 13th July to Friday 17th July**.

Work experience provides a valuable opportunity for students to develop workplace skills, gain insight into different career paths, and build confidence in a professional environment. We are keen to secure a wide range of placements across different industries and would be grateful for any support from our school community.

If **you, your employer, or someone you know** may be able to offer a student a work experience placement during this week, please contact one of the following members of staff:

- Halima.Farooq@consilium-at.com
- Simon.Farmer@consilium-at.com
- Katie.Parkinson@consilium-at.com

Placements can be in any sector and can provide students with invaluable real-world experience. Our team will be happy to discuss the requirements and provide any necessary information or documentation.

Thank you for your continued support. We greatly appreciate any assistance you can offer in helping our students access these important opportunities.

Kind regards,
Miss Parkinson

Debate Team Trip

Miss Mayer Payne and Mrs Ayre-Rasmussen took the debate team to Monton Green this week for a collaborative workshop with year 6 students.

This event was completely pupil led, with the Debaters showcasing their skills and running workshops for the Year6's about Debate etiquette, oracy skills and confidence. The year 6 pupils then competed in their own mini tournament which was judged by our team.

We received great feedback from the school and we were incredibly proud of how our students conducted themselves throughout, setting a shining example for their students, but especially those joining us in September.

Drama Club Summer Shows

In the lead up to the summer break, the drama clubs have been preparing for two performances over 3 dates. Parents are welcome to attend, you can book tickets on Parent Pay for a voluntary donation. If you are unable to book on Parent Pay then you can turn up on the day.

Careers Messages

Year 11 Leavers!

A reminder for any Year 11 leavers seeking **apprenticeships** - we are starting to see more vacancies locally for Year 11 school leavers, please check the **Apprenticeship Vacancy Board** (<https://padlet.com/simonfarmer1/2026-school-leaver-apprenticeships-pre-apprenticeships-train-d0kfsxm6rqid2qhd>) for apprenticeship vacancies eligible for Year 11 leavers within a 5 mile radius of school. Mr Farmer is still available for help or support with apprenticeship queries, please contact school if you need any help.

For all Year 11 students that have applied to start **college/sixth form** this September, colleges will be in touch over the summer regarding enrolment details - all students will be required to enrol in person with their GCSE results after GCSE results day (Thursday 20th August) - colleges will contact students individually with appointment times. If students are unavailable for the enrolment appointment, please contact the college admissions team ASAP. Remember there will be careers support available in school on results day should your plans change or if you need any advice 😊

Don't forget the **Our Pass** (<https://ourpass.co.uk/>) !!

This is a bus pass that all Year 11 school leavers living in Greater Manchester can apply to - it costs £10 but the pass then allows FREE bus travel throughout Greater Manchester from September 2026 and is valid for 2 years. Amazing value, and provides bus travel any time - so it is helpful for your studies, work and social time!

Wishing all our wonderful Year 11 leavers a wonderful summer break after working so hard in your GCSEs!

Mr Farmer, School Careers Adviser

Work Experience Message - Year 10

Monday 13th - Friday 17th July - WORK EXPERIENCE - The deadline for confirming work experience has now passed and all placements should have now been added to [Morrisby](https://www.morrisby.com/) (<https://www.morrisby.com/>). Thank you kindly to all the parents and employers that have supported work experience and helped the students secure a placement.

For placements to proceed, we must have received completed forms from employers (stage 2) and parental consent (stage 3). Confirmed Morrisby placements will show 4 completed green stages as below:

Step 4 - Coordinator confirmation

- This placement is fully approved and will go ahead as planned.
- The student and employer have received a confirmation email.

Please can we ask all students to check their placements on Morrisby and contact employers if any information is missing. Students can view all their placement details - e.g. employer details, contacts etc - on Morrisby, using their school email addresses (ephforename.surname@consilium-at.com) and the passwords they have created - most students used the same passwords they have for school emails!

We also ask that students **"reach out"** to their employers as a thank you for offering the placement ahead of them attending. This could be a phone call or email and is also an opportunity for any final queries on the placement (e.g dress code, timings, lunch arrangements etc if unsure!).

If a student is unsure of their Morrisby details, please can they speak to Miss Farooq (Business & Engagement Lead), Mr Farmer (Careers Adviser), Mrs Lewis (Head of Year) or Miss Parkinson (Assistant Principal) in school.

A reminder that any students **without** a work placement confirmed (stage 4) on Morrisby will be expected in school as usual on 13017 July.

For any queries or support, please contact Miss Parkinson, Assistant Principal.

Thank you
The Careers Team
