

A Giant Welcome to Ellesmere Park High School

Hello year 6, my name is Devin. I would firstly like to welcome you to Ellesmere Park high School. It's hard to believe that it was only a year ago that I was where you are now. Wow! It has flown by!

I'm not sure how you feel, so I'll tell you how I felt. I felt a mixture of excitement, with a pinch of nerves. I didn't know what to expect. The school seemed huge, with lots to remember and lots of people I didn't know. That all evaporated within my first week. There's a whole lot of teachers to help and support you. I've met some amazing friends. I love the variety of subjects and the teachers are so inspiring.

As we all know, Covid has made things a little different, but we're always informed of what we need to do to stay safe and there's always someone to ask for help, if we need it.

One of the best things about our high school is, you immediately feel like you belong. You're encouraged to listen, learn and also express your thoughts in class.

Would I change anything? Hmm....I can't wait for school lunches to have the full spectrum of the menu!

Covid isn't ideal and I wish I could tell you this in person, but at Ellesmere you'll find that things don't have to be ideal to be amazing. And Ellesmere Park High School will help you realise that you're amazing too.

Looking forward to meeting you!

Devin
