

Uniform Policy

JULY 2021

Date of approval:	July 2021
Approved by:	Senior Leadership Team
Date of next review:	July 2022

Our policy is based on the principles that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of community and belonging
- is practical and smart
- identifies the students with the school
- is not distracting in class (as fashion clothes might be)
- makes students feel equal to their peers in terms of appearance
- is regarded as suitable, and good value for money, by most parents
- has been designed with health and safety in mind

Ellesmere Park High School accepts that there are counter-arguments, including teenagers' desire for self-expression, cost and inconvenience to parents, time taken by school staff in enforcing uniform at the expense of education, coupled with the inevitable wish for adolescents to rebel against any imposed uniform; on balance, however, the Local Academy Board agreed that uniform should be enforced.

The Local Academy Board believe that uniform should be inclusive at all levels – socially, culturally and religiously. It should promote high aspirations, including high standards of achievement and behaviour. It should promote safety in that uniform should aid identification of students (and also of those who are not students) and should consist of clothing and accessories that are practical and safe for use in school. As far as practicable, uniform should be easily available at moderate cost.
