## YEAR 11: KEY INFORMATION FOR MOCK EXAMS Week beginning 8<sup>th</sup> -19<sup>th</sup> November 2021

Dear Parents or Carers,

Firstly, I'd like to thank you for the continued support you have provided during the beginning of the school term in supporting your child's progress, following a turbulent year. As you may have read, GCSE exams are scheduled to take place in summer 2022, with some further information due to be released in February 2022 from the exam boards. We will communicate all updates with you fully.

Please find enclosed your child's mock exam timetable, for weeks commencing 8<sup>th</sup> November and 15<sup>th</sup> November. These will also be displayed on the school website and on Microsoft Teams. Please ensure your child is in school, on time, in order to be the best they can be and achieve their full potential.

In line with examination guidance, students are not permitted to have their phones or any watch at their exam table. Students will be required to switch phones off, remove their watch and leave these either in their bag at the front of the exam hall or in the secure locked boxes available each day. Please see the attached poster detailing specific regulations for both mock exams and GCSE examinations.
