

Dear Parents/Carers,

Re Onsite Testing in January 2022

I am sure you are all aware that schools are being asked to offer all students **one** onsite supervised lateral flow test upon their return to school after the Christmas holidays.

We will therefore be testing all students (for whom we have received consent) on Tuesday 4th and Wednesday 5th January. All students should still return to school as normal on Tuesday 4th January 2021 as testing will be done throughout the day.

We are asking for all parents/carers to complete the consent form below if they wish for their child/ren to be tested. We appreciate that you may have completed this before, however, we understand that parent/carer wishes may have changed since we last did the onsite testing and therefore we want our records to be as up to date as possible.

If you are happy for your child to be tested please complete the consent form below by **Wednesday 15th December**. **If you have more than one child, please complete one form per child.**

If you do not wish for your child to be tested please **do not complete the form.** If we do not receive a completed consent we will not carry out the testing.

You can find more information about the testing on our website (home-key information-COVID-19 information), this includes FAQs, privacy notice. Please ensure you read these before completing the consent form.
