The Greater Manchester SkillCentre is a purpose-built, state-of-the-art training facility, specifically built for training the next generation of apprentices and trainees.

Whilst we offer a wide range of apprenticeships and adult courses, this Open Evening is aimed at young people aged 16-18 who are interested in starting one of our Pre-apprenticeship Study Programmes in the following subject areas:

- Construction Multi-trade
- Plastering
- Paint & Decorating
- Plumbing
- Automotive Light Vehicle Mechanics
- Automotive Paint repair
- Engineering
- Electrical Installation
- Carpentry and Joinery
- Bricklaying

## What is a Pre-apprenticeship Study Programme?

These courses are for young people aged 16-18 who wish to progress onto an apprenticeship but don't feel quite ready. They will gain hands-on experience that employers are looking for and a nationally recognised qualification. On successful completion, our learners are supported with opportunities for progression onto one of our apprenticeships.

**No need to book just turn up!**

**We look forward to seeing you there.**
