

You're invited to a special event in the ongoing battle against knife crime in Greater Manchester.

Great Places will present the official premiere of "No Safe Place," a documentary filmed and produced by young people to raise awareness of knife crime and joint enterprise.

This is a collaborative project with REEL MCR, funded by Great Places and Equans.

During the event, we will be joined by Paul Dennett, Mayor of Salford to unveil the first bleed kit in the City. This life-saving equipment is one of six bleed kits to be funded through Project Gulf.

There will be light refreshments available.

Date: Tuesday, 1st November

**Place: Hexagon Room,
The Lowry, Salford**

Time: 4pm – 6pm

To secure your place at the event, please RSVP by Friday 21 October (confirming any special dietary and/or access requirements) to: steven.johnson@greatplaces.org.uk
